DDTR   

TO: School and Staff Chiefs

SUBJECT: Senior Seminar

1. The Director of Training has approved the title "Senior Seminar" for the new course for senior Agency officers, in place of the term "Senior Intelligence Seminar" which has been used to date. This decision was taken in order to avoid confusion with the Advanced Intelligence Seminar conducted by SIWA.

2. Please take such steps as may be required to refer henceforth to the new course as the Senior Seminar.
